I understand and agree no construction or external alteration shall commence until I have received written approval from the Board of Trustees. If alterations are made prior to notification of a decision, I may be required to return the property to its former condition at my own expense and I may also be responsible for incurred legal expenses.

I am aware I should have written Board approval before applying for City permits. If permits are obtained from the City of Streetsboro prior to receiving approval from the Board of Trustees, the Board has the right to require alterations as deemed necessary to support the architectural design within the Greentree Homeowners Association.

ARCHITECTURAL REVIEW APPLICATION

The Board of Trustees thanks you for your submission and will render a decision within thirty (30) days of receipt of a **completed** application.
